

# How to Mail a Package General Delivery

---

It is easy to get mail including packages while bicycle touring. The Adventure Cycling Association maps show post office locations along with their zip code. Try to choose a small town where it will not be hard to find the one post office. Use address format like this:

ROBERT TAYLOR  
C/O GENERAL DELIVERY  
AMARILLO, TX 79124-4939

Write "PLEASE HOLD FOR CROSS COUNTRY BICYCLIST" on the package or back of the envelope.
